TIMBER PRICE REDUCTIONS.

Dear customer,

We recently wrote to you informing you of price increases on products you have previously purchased from us. As customers who purchase timber products from Jewson, we wanted to advise you of some price reductions.

Whilst the market for hardwood and marine plywood is still challenging, we are pleased to say that due to increasing product availability, the market price has reduced. As a result of this, we are pleased to inform you that we **reduced** the price of the below products on **1st January 2022**.

- C16 Carcassing: 7.5%
- C24 Carcassing: 10%
- CLS: 15%
- Batten: 15%
- Machined Softwood: 10%
- Sheathing Plywood: 7.5% to 10%
- OSB: 17.5% to 22%

The timber market continues to be dynamic and we will continue to communicate to you when there are any changes that have implications on your prices.

To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page **www.jewson.co.uk/supplier-updates** If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to continuing to work with you.

Yours Sincerely,
Jewson
