# SEPTEMBER PRICE INCREASES.

Dear customer,

Given the current market conditions we know how important it is that you are provided with advanced notice of any significant price changes. We are therefore advising you of some price increases on products that are planned to come into effect on September 1st 2022.

As always, we are working hard behind the scenes with our suppliers to minimise all increases but we wanted to let you know the current projected increases to allow you to plan accordingly.

<b>Product Category</b>	<b>Price Increase</b>
Power tools	Up to 5%
Power tool accessories	5%
Flat roofing	Up to 15%
Plastic drainage	Up to 8%
Decking accessories	5.7%
Decorative softwood mouldings	10.7%

*\* Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.*

## **Why we're increasing our prices.**

At the beginning of 2022, many suppliers had hoped that the volatility in price would begin to stabilise in the second half of 2022 but unfortunately this is not the case and the picture remains very much unchanged. Suppliers are continuing to experience extreme cost price inflation. These factors remain very much unchanged and include the increased cost of fuel, energy, as well as packaging, foreign exchange rates and the price of raw materials.

## **Keeping up to date.**

To keep up to date with any other price increases and product availability, please visit our dedicated supplier updates page here: [www.jewson.co.uk/supplier-updates](http://www.jewson.co.uk/supplier-updates)

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to continuing to work with you.

Yours Sincerely,
